

High Resource Worksheet

First Group Exercise

Please list three barriers to implementing screening and plans of action for overcoming those barriers.

Guidelines:

1. Please choose a scribe who will document the strengths and opportunities that you value or are present in your program.
2. Simultaneously please identify a spokes person(not the same person as the scribe) who will then share your ideas with the rest of the groups.
3. After all the groups have shared their ideas the rest of the group members will have the opportunity to make comments.

Barriers to implementing screening	Plans of action

Third Group Exercise

Please list the resources currently available in your setting for implementing screening

Guidelines:

7. Please choose a scribe who will document the strengths and opportunities that you value or are present in your program.
8. Simultaneously please identify a spokes person(not the same person as the scribe) who will then share your ideas with the rest of the groups.
9. After all the groups have shared their ideas the rest of the group members will have the opportunity to make comments.

Resources available?	How can you maximize these?
