

## **Worksheet & Feedback - Group 1**

**Q1. What benefits does the PROMIS model, on Assessment Centre, offer to an institution wanting to introduce screening?**

---

---

---

---

---

---

---

---

**Q2. What are the disadvantages?**

---

---

---

---

---

---

---

---

## **Worksheet & Feedback - Group 2**

**Q1. What types of 'help' might people want?**

---

---

---

---

---

---

---

---

**Q2. Is referral to a health care provider the best option?**

---

---

---

---

---

---

---

---

## **Worksheet & Feedback - Group 3**

**Q1 Which of the models (low, medium, high-resources) might best suit your setting, and why?**

---

---

---

---

---

---

---

**Q2. Two pivotal points in screening are (1) ensuring patients are screened and (2) that action is taken in response. What processes might you employ in your setting to ensure these two steps occur?**

---

---

---

---

---

---

---
